### **Re: School Calendar Information for 2024; 2025; 2026**

DRAFT School Calendars for all schools are located on the SD87 website.

New this year: A 3-year calendar has been drafted for 2024-25; 2025-26; and 2026-27. Each year, calendars will be reviewed and if changes are required, they will be done according to the legislated calendar amendment process.

Each time a school calendar is established, the Board of Education is required by the Ministry of Education and Child Care to make its proposed calendar(s) available for public comment prior to adopting a final version. By participating in the feedback process, public comments will be included among those provided to the Board. The greater the participation in the public comment process, the more informed the Board will be with respect to the opinions and preferences of our school communities.

School calendars are drafted with the following in mind:

- The drafts are based upon previous year's calendars, the Collective Agreement language, previous years consult comments, as well as Ministerial requirements.
- The Stikine Teachers Association (STA) plan the Professional Development Days that occur at the end of September / beginning of October. The STA has provided these dates.
- In keeping with the School Calendar Regulations and with the *3-Nations and School District 87 Education Partnership Agreement* (Tlingit, Kaska, and Tahltan Nations), a Cultural Community Orientation Day (Non-Instructional for students) for school staffs has been scheduled at the beginning of the year. This is a continuation of a practice we initiated two years ago. This will support staff as they integrate Indigenous World Views and Perspectives into learning environments.

The school calendar commentary and feedback process is available until APRIL 15, 2024, on the SD87 Website at: <https://www.sd87.bc.ca/>

You can also email feedback directly to: [calendarfeedback@sd87.bc.ca](mailto:calendarfeedback@sd87.bc.ca)
